Re: McLaughlin v. Diamond State Port Corporation
C.A. No. 04-1563-GMS

Dear Judge Sleet:

This letter is a slightly revised version of the letter to Your Honor that was electronically filed earlier today. The only difference is that the earlier version contained the civil action number of a previous action between the parties.

Enclosed in accordance with the Court's March 1, 2005 Notice of Scheduling Conference is a joint status report of the parties. Also enclosed for the Court's review and consideration is a form of scheduling order, which has been agreed upon by the parties.

Respectfully,

Jason A. Cincilla (#4232)
